Creative leader, collaborative co-conspirator, and catalytic changemaker
working toward a more vibrant, loving, and healthy world for all

PROJECTS AND ACCOMPLISHMENTS

Nonprofit Management and Organizational Development

- Twenty years of experience in the nonprofit sector including more than six years as an executive director; served in the director role at a shelter for families experiencing homelessness, a community development corporation, and a family center network
- Created strategic plans for a regional foundation, children's hospice, networking association, community land trust, regional food bank, and Community Action agency
- Conducted a strategic analysis of an international B Corporation
- Developed a variety of policies, procedures, and plans to facilitate organizational resilience, sustainability, and impact

Community Organizing, Advocacy, and Planning

- Organized a regional coalition resulting in state-level policy change
- Developed campaigns to promote awareness and engagement in advocacy initiatives
- Started an advocacy academy to increase civic engagement among low-income people
- Facilitated and created community revitalization plans for two urban neighborhoods and one suburban/rural region
- Co-facilitated creation of the first multi-municipal Neighborhood Partnership Program in Pennsylvania
- Designed and piloted a Food Stamp (now SNAP) application assistance program that was subsequently funded by the U.S. Department of Agriculture
- Prepared Analysis of Impediments to Fair Housing Choice reports for the U.S. Department of Housing and Urban Development

Education

- Eleven years of experience as an adjunct university lecturer; have designed and taught traditional, hybrid, and online classes; assisted with organizing and grading for doctoral level classes
- Proficient in Blackboard, Brightspace, ANGEL, and Kajabi course design and management
- Designed, promoted, and facilitated professional development and community-based workshops related to nonprofit management, entrepreneurship, marketing, finance, research, and data analysis independently and in partnership with organizations including the U.S. Small Business Administration, ArtsQuest, and Nonprofit Technology Resources
- Facilitated a series of workshops to develop marketing and fundraising skills in the performing arts community
- Created an online school for leaders and activists
- Launched a Success by 6® transition to kindergarten pilot site and partnered to develop a community-wide transition to kindergarten plan
- Designed and evaluated early childhood, afterschool, and summer educational programs

Jessica R. Dreistadt, Ph.D.

Creative leader, collaborative co-conspirator, and catalytic changemaker
working toward a more vibrant, loving, and healthy world for all

PROJECTS AND ACCOMPLISHMENTS

Research

- Worked with research teams to assess public perception of a development project at a historic industrial site, the relationship between spirituality and social action, and barriers facing women of color in higher education
- Interviewed working mothers in their homes throughout Philadelphia about challenges related to childcare
- Ability to gather, analyze, and interpret multiple sources of secondary data to identify needs and make decisions
- Experienced with qualitative and quantitative approaches, survey design, data collection, transcription, data analysis, and formatting in APA and Chicago styles

Writing, Editing, and Publication Design

- Author of 11 books about leadership, social change, and wellness
- Created a technical assistance manual for minority- and woman-owned business certification
- Developed a customer service handbook that was replicated by a mid-sized city
- Created policy and procedure manuals for a multi-site housing and social service organization
- Created a school-based family support training manual and replication guide

Marketing, Public Relations, Event Management, and Communications

- Executive producer of an award-winning documentary about hunger
- Organized fundraising events and annual meetings for various organizations
- Organized an event to commemorate the 50th anniversary of Community Action programs
- Organized community events including a senior expo, job fair, children's art shows, and networking events
- Created newsletters, annual reports, brochures, flyers, and websites to tell organizations' stories and engage partners

Resource Development

- Secured more than \$10 million in public and private support for various projects from nationally competitive funding competitions, public agencies, foundations, businesses, and individuals
- Developed comprehensive contract compliance systems for grants and formalized partnerships; conducted internal audits and prepared programs for monitoring visits resulting in commendations from federal auditors
- Created development plans and case statements to strengthen fundraising strategies

Project and Information Management

- Co-managed an \$800,000 new construction project that created five apartments for families experiencing homelessness
- Collaborated with a health network and a local foundation to provide dental care to uninsured children
- Computer skills include SPSS, Microsoft Office, QuickBooks, PolicyMap, Dedoose, NVivo, WordPress, Salesforce, DonorPerfect, MailChimp, Constant Contact, social media
